LEADING DESIGNERS

Alain and Dominique Vavro live in the delightful French village of Collonges au Mont d'Or close to Lyon on the banks of the River Seine. Whilst tiny, the village is renowned around the world as home of legendary gastronomer, Paul Bocuse's 40-year old, three Michelin-starred restaurant, l'Auberge du Pont de Collonges. It was here that the Vavro's first began to make a name for themselves and their tableware.

Over the years, Alain and Dominique have created many outstanding crockery and cutlery collections which now grace the tables of leading hotels and restaurants across Europe and the Middle East. In specially designing four sets of flatware for WNK, the Vavros are taking their creative flair to an entirely new level.

GAMME ALBA

follows the image of current lifestyles but is inspired, for the knife in particular, from blades forged by primitive peoples. Its authentic simplicity makes it a warm and friendly choice. Its intuitive design links traditional character and futuristic lines.

à l'image de l'art de vivre actuel, mais inspiré pour le couteau notamment, des lames forgées des peuplades primitives. Sa simplicité authentique en fait une gamme conviviale. Son design intuitif est le lien entre caractère de tradition et ligne d'avenir.

tells a story... The movement of its rounded lines evokes positive and energetic values with a knowing wink at Baguette, the great classic, which has been used for over a century. This vigorous, streamlined and generous style adds a touch of timeless balance to tableware.

nous raconte une histoire... Le mouvement de ses lignes rondes évoque des valeurs positives et énergisantes en clin d'oeil au grand classique "Baguette", utilisé depuis plus d'un siècle. Ce style vigoureux, épuré et généreux confère aux couverts une touche d'équilibre intemporel.

Our design is oriented toward a search for a simplified and graphically pure shape. Cutlery is restrained and fits in with the concepts of a cuisine that is contemporary, fresh and creative. The broad flat area on the handles enables getting a firm grip on the cutlery.

Notre design s'est axé sur la recherche d'une ligne simplifiée, graphique et épurée. Les couverts, stricts, s'inscrivent en accord avec les concepts de cuisine contemporaine, actuelle, et créative. Le large plat des manches contribue à une bonne préhension des couverts.

Our aim here was to imagine the design of a playful and timeless line. The energetic, flowing curves of the tableware suggest a cuisine that is eclectic, living and without frontiers. Elongated handles on the cutlery provide comfortable, easy use.

Notre volonté était ici d'imaginer le design d'une ligne ludique et intemporelle. Les couverts aux courbes fluides et énergiques induisent la notion d'une cuisine éclectique, vivante, et sans frontière. Les manches des couverts aux formes allongées sont adaptés au confort de l'utilisation.
